Education

Indian Institute of Information Technology, Una
Information Technology

July 2024 - Expected May 2028
CGPA:8.40

BCM Senior Secondary School, Ludhiana
Central Board of Secondary Education (Class XII)

2023 - 2024
PR:95.2

BCM Senior Secondary School, Ludhiana
Central Board of Secondary Education (Class X)

2021 - 2022
PR:97

Experience

Fleeguide

Remote

Software Developer Intern

September 2023 - November 2023

- Optimized UI efficiency using **React.js** and **Redux** for seamless **state management** and user experience.
- Integrated **Razorpay** gateway for precise, secure, and efficient payment processing and transaction tracking.
- Developed a comprehensive Admin **dashboard** and authored **20+ APIs** using **Node.js**.

Technical Skills

Languages: C, C++, Python, SQL

Frameworks and Libraries: Pandas, Numpy, Matplotlib, Seaborn, Scikit Learn

Other Technologies: Git, GitHub, Kaggle, Hugging Face

Coursework: Data Structure and Algorithms, Computer Networks, Operating Systems, Object Oriented Programming, Database Management Systems

Projects

Email / SMS Spam Classifier | *Python, NLP, Scikit-learn, Streamlit*

Dec 2025

- Developed a machine-learning-based text classification system to identify spam and non-spam messages using NLP techniques.
- Implemented text preprocessing including tokenization, stopword removal, and stemming, followed by TF-IDF feature extraction.
- Trained and evaluated supervised classification models and deployed the inference pipeline using Streamlit for real-time predictions.
- Containerized and deployed the application on Hugging Face Spaces, handling environment-specific runtime and dependency constraints.

Movie Recommender System | *Python, Pandas, Machine Learning, Streamlit*

Dec 2025

- Built a content-based movie recommendation system that suggests similar movies using cosine similarity scores.
- Preprocessed movie metadata and generated a similarity matrix to identify nearest-neighbor recommendations.
- Designed an interactive Streamlit web interface allowing users to select a movie and receive top recommendations instantly.

Positions OF Responsibility

- Joint Secretary at **FORCE**-Official coding club of IIITU
- Social Media Head **EIC**- Entrepreneurship and Incubation club of IIITU
- Member at **EPMOC**-Management club of IIITU
